

**2023 International Conference on
Humanities, Social Sciences and
Economic Management
(HSSEM 2023)**

PREFACE

We are pleased to present the proceedings of the 2023 International Conference on Humanities, Social Sciences and Economic Management (HSSEM 2023), held in Hong Kong, China. This conference provided a vital platform for researchers and practitioners to explore the intersection of humanities, social sciences, and economic management.

The papers included in this volume were selected after a rigorous peer-review process. They covered a wide spectrum of topics, including empirical research, theoretical frameworks, and case studies that addressed the evolving challenges in the global landscape. These contributions reflected the latest trends and offered practical solutions in the fields of humanities, social sciences, and economic management.

We express our sincere gratitude to the authors for their contributions and to the Technical Program Committee for their professional expertise in ensuring the quality of this publication. We hope these proceedings will inspire further research and cross-disciplinary collaboration.
